

CPWS: Hamlet

What choices was Hamlet pondering in his “To be or not to be” soliloquy?

1. Whether to kill Claudius or not to kill ?
2. His father sprit was true or not ?

What challenge did he face in his life at that time?

What would you have done in his situation?

His uncle killed his father and married with his mother. Moreover his girlfriend also was force to leave him

If I were Hamlet I will try to accept the situation and find the truth and ask the reason. I will try to not revenge anyone, still love and respect my mom, but for bad one I would stay far from him , meet him as least as possible to try to forgot what he has done .

What did Hamlet decided to do? What things did he do (or not do) that eventually led to the tragic end of the play?

He decide to kill Claudius because he know that Claudius kill his father , but unfortunately he make a mistake to kill wrong person .

What do his actions say of his personality? What kind of man was Hamlet?

In some part he look like a reasonable and calmly person who don't easily believe what he was told ,but in the other hand he is rancorous ,indecisive and aggressive to make a vengeance like a madcap.

Do you think Hamlet was overcome with insanity during the course of the play?

Yes , I think he has been insane since he has though to make a vengeance .
