UBS Campus Recruitment Roadshow

Get to know what we do.

Couldn't attend our open houses in Singapore and Hong Kong? No Problem. We're hosting a virtual roadshow for students interested in the finance space. Hear first-hand from our businesses including Global Markets, Global Banking and Asset Management, and get an overview of what we do. Not only that, we're also actively recruiting! You'll get to learn more about our various Junior Talent programs and apply for those that spark your interest. Want more info? Here's a sneak peak at our businesses:

Global Markets

We're investment experts, advising our clients on financial products and strategies, backed by quant and technology specialists.

Global Banking

We guide and provide insights to our clients through mergers, raising capital, and everything in between.

Global Wealth Management

As the world's largest wealth manager, we offer expertise and solutions to wealthy families and individuals around the world. Our objective: to ensure their return ambitions are met or even exceeded.

Asset Management

If you want to join a world-class asset manager, look no further. We provide best-in-class investment products and solutions.

CDIO (Technology)

We're not just big on finance; we love tech too. We're all about embracing a digital future and being engineering-focused and outcome-driven.
