

Announcement

Please be informed that the final exam which is scheduled on 21 May 2022 during 9.00-11.30 am will be a **paper-based proctored exam**. You need to ***write your answers (not typing) only on A4 papers (not allowing for iPad) then convert to a pdf file for submission***. A ***cheat sheet of double-sided A4 hand-written paper document (not allowing for iPad) is permitted and required to submit together with exam answers***. The BE admin will **grant a buffer time of 10 minutes during 11.30-11.40 am** for all of you to prepare answers for submission in the pdf file.

Like I mentioned earlier, you may need to plan ahead in arranging time properly to complete the final exam. Please do not panic and try to finish all exam questions.

Good luck and stay safe.
