

B.E. International Program

Semester 1/2012 (August 14 - December 1, 2012) (After add and drop)

Subject: MK202 Fundamentals of Marketing

Dear all MK202 students,

This is to inform you that there is a minor error in mid-term-exam score calculation. No one's score reduces, fortunately. Most of the scores remain unchanged, still fortunately. The bell-curve grading will be used for this course; however, the total score should be approximately 40 in order to pass the course.

Below is the updated one. Please accept our apology.

Best,

Aj. S.
