Research Paper	60 %
Research Proposal	10%
Progress Report I	10%
Progress Report II	10%
Draft Final Report	10%
Final Report	20%

Referee Report

Students are asked to write a referee report, which is a summary and critique of a journal article of their own choosing (under the instructor's guidance). This article should be used as the main reference for the research paper. The referee report should be 1.5-space with 12 font size, and it should not exceed 2 pages (excluding reference page).

Presentations and Class Participation

Students will present their assigned articles, referee reports, research proposals, progress reports, and draft final reports to class. Other students are encouraged to ask questions and provide constructive comments to the presenter.

For selected articles, students are required to read the assigned readings before coming to class, discuss the readings, and contribute useful comments.

Research Paper

Research paper will be assessed based on five components.

1. Research Proposal: Topic, statement of problem, objective, literature review, data, and methodology
2. Progress Report I = Research Proposal (revised) + Descriptive Statistics
3. Progress Report II = Progress Report I (revised) + Preliminary Results
4. Draft Final Report = Progress Report II (revised) + Conclusion & Discussion
5. Final Report = Draft Final Report (revised)

For each component of the research paper, students are required to submit their draft to the instructor and their assigned discussant 2 days prior to their presentations in class. Failing to do so may result in some partial score deductions.

***** Students must submit all reports via turnitin.com. Class ID is 27856274. Enrollment Key is 4841. *****
