Note that the weight assigned to midterm 2 is reduced from 25% to 15% due to the fact that only 2 chapters, instead of 3 chapters, are covered in this midterm exam. If you have inquires regarding midterm 2, please ask Ajarn Santana by sending an email to santana.tu@gmail.com. The remaining chapters (6 chapters) are included in the final exam. Thus, the weight assigned to final exam is increased from 25% to 35%.

Score Allocation:

Midterm 1 – completed (Scores are posted in the BE Moodle System)	25%
Midterm 2	15%
Final	35%

Total	100%

Note that the assignments are consisted of the followings:

Assignments 25%

- Online Homework 8%
- Online Quizzes 4%
- In-class Quizzes 4%*
- Project 9%*

There will be no more in-class quizzes after the class resumption and the weight assigned to in-class-quizzes will be reduced from 8% to 4%. The reduced weight of 4% will be added to project that you are now working on. Thus, the total weight of the project is 9%, instead of 5%. The details on financial statement analysis project are posted in the BE Moodle System. The deadline is on the last day of semester at midnight. Please send the report via email to orapan@gmail.com and orapan@tu.ac.th. The title of your email should start with "AC201-BE-1-2011 Project – **XXX**". The **XXX** is to be replaced with the name of the company of your choice.

The online assignments are assigned for all chapters. I will collect scores from only 8 best ones; that is, 8 from homework and 8 from quizzes. Please visit http://connect.mcgraw-hill.com/class/s_singhasaneh_ac201-be-1-2011 and work on those assignments. The deadline is on the last day of semester at midnight. I will download all the scores at midnight of the last day of the semester. Late submission will not be considered.
