(1) Do you agree that "This pandemic will reverse the progress toward gender equality"? Why?

Yes, because covid-19 affect everyone ex. job loss will create more burden & caretaking for women with children and in some sector women are working in a dangerous place during the pandemic which can cause getting covid & affect more. Comparing to men who has less responsibility.

(2) Using a country as an example, explain what policies the government of that country has implemented to address this problem.

Thailand has offer a protection suit for nurse & Doctor who has expose to covid-19 with good equipment & Protection these people are safe from covid & still can work & contribute to the country.
