

# BE Portal System User Manual for Non – EE Preregistration

1. Log on to the BE Portal System.
2. Select the 'Enrollment' on the left – hand navigation bar.
  - 2.1 Course list will appear sorting by categories; EE, Major Area Study, Finance, Marketing, General Education part 1, General Education part 2, and Elective courses.
  - 2.2 Non-EE preregistration criteria are prioritized by student ID, and Minor Area respectively. Three rounds of registration are scheduled as follows.
    - **Round 1:**
      - Students minored in **Finance** are required to preregister in their expected **FN course(s)**.
      - Students minored in **Marketing** are required to preregister in their expected **MK course(s)**.
    - **Round 2:** **Free cluster** students are required to preregister in their expected **FN or MK course(s)** with the remaining seat(s) from Round 1.
    - **Round 3:** Students with the assigned ID can preregister in their expected Non – EE course(s) on the assigned date (prioritizing by year).

3. To preregister the course(s), students can choose their expected course(s) using the checkbox in front of the course(s). Please check the class time, exam dates, and the EE & Non – EE composition rules before choosing the course(s). If the preregistration conflicts to any rule, the pop – up warning will present.

## Request for Waiting List

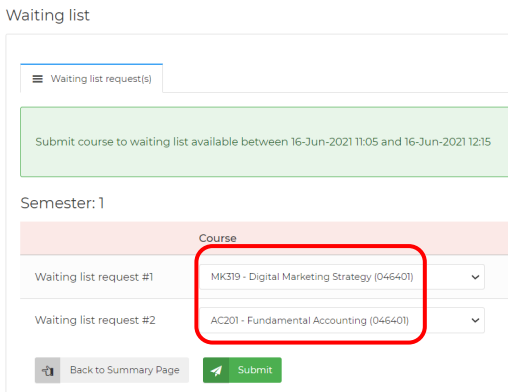

When the preregistration passes, the waiting list round will be scheduled. Students can request for the fully enrolled course(s). The request(s) will be considered and approved or refused via the BE Portal system.

1. To request for waiting list, select the 'Waiting List' on the left – hand navigation bar.

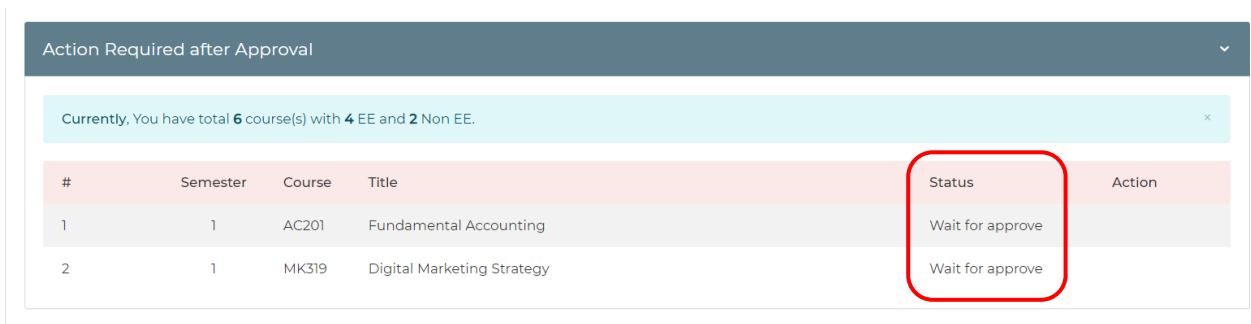

2. Choose the course(s) for your expected waiting list. The maximum of waiting list is up to 2 courses. Click the 'Submit' button.

Note: The waiting list can be adjusted throughout the waiting list period.

3. The status of the waiting list course(s) can be tracked on the 'Summary' page, in section 'Action Required after Approval'.

#	Semester	Course	Title	Status	Action
1	1	AC201	Fundamental Accounting	Wait for approve	
2	1	MK319	Digital Marketing Strategy	Wait for approve	

The screenshot shows the 'Action Required after Approval' section. At the top, a light blue notification box states: 'Currently, You have total 6 course(s) with 4 EE and 2 Non EE.' Below this is a table with columns: '#', 'Semester', 'Course', 'Title', 'Status', and 'Action'. The 'Status' column for both courses is highlighted with a red box and contains the text 'Wait for approve'.

- If the request is under consideration, the status 'Wait for approve' will appear.

#	Semester	Course	Title	Status	Action
1	1	AC201	Fundamental Accounting	Not Approve	
2	1	MK319	Digital Marketing Strategy	Approved	<input type="button" value="Confirm"/>

- If the request is approved, the status will be changed to 'Approved'. Students are required to confirm the approved course(s) by clicking on the 'Confirm' button. If the students fail to confirm the approved waiting list by the deadline, the course(s) will be **removed automatically**.
- If the request is refused, the status will be changed to 'Not approve'. No action requires further.

Note: The approved course(s) will be successfully confirmed with the following rules:

1. The total credits consist of half of EE or General Education (part 1 -2) or above.
2. The total credits do not exceed the maximum of 22.
3. Class time, exam date conflict.

In case the confirmation conflicts to any registration rules, the pop – up message will show on the top of the granted quotas table.

The screenshot shows a student's registration page. At the top, there is a red navigation bar with the user's name 'Afternoon, Lanlida Vitayakaseat', 'Back Office', and 'Account'. Below this is a breadcrumb trail: 'Home - Student' and 'Home / Student / Confirm'. A server time indicator shows 'Wed Jun 16, 2021 12:34:39'. A red-bordered pop-up message box contains the following text:

- Timetable conflict with BA291
- Midterm conflict with BA291
- Final Exam conflict with BA291

Below the message, the page displays '2099 - EE' and a section titled 'Granted Quotas: EE Course(s)'. This section contains a table with the following data:
