

## **Group Assignment**

### **Questions**

If you were PM's economic advisor, how would you picture Thailand in the next 10 years?

Please analyze on

- Strengths/ Weaknesses (Current)
- Opportunities/ Challenges (Future)
- Goals or Targets
- Policy recommendations

It is strongly suggested the analysis to be based on information/data/facts from reliable sources, not only from personal opinions and needs to be realistic.

### **Requirements**

- 5 Students each group
- Group presentation will be on 4 July, 2018. (half an hour each group and every students are required to present)
- Paper (not exceeds 20 pages) will be submitted on 20 July, 2018.
- Midterm exam will be on 6 July, 2018.
- Group presentation worth 20 percent of total grade and the assessment will be based on both powerpoint presentation and report.
