

### **BE TU-110 2011/1: Midterm Exam**

- Dictionaries, textbooks, notes, and calculators are not allowed.
- Use only a dark blue or black pen. Do not use a red pen. Do not use a pencil. Do not use a highlighter of any color.
- The exam has two sections: a short-essay section and an essay section. Each section is worth half of the exam.
- Write neatly. Illegible answers earn fewer points.
- Including incorrect information in your answer will decrease your score.
- In the case of subjective questions, there is no “right” answer; the correct answer is your own well-reasoned opinion. Subjective questions will be graded according to how well you express your opinion, how well developed your opinion seems, and how well you support your opinion with relevant examples.

**Short-Essay Questions:** Answer all of the questions. All of the questions are worth the same number of points. Keep your answers short and simple. Use your time wisely, i.e. leave yourself enough time to answer the essay questions.
