

Bangkok FinTech Fair 2018: SME and Consumer Financial Solutions

19-20 March 2018
Bank of Thailand

Please join us for a conference focusing on providing FinTech solutions to SMEs and consumers as well as driving digital innovation and competitiveness in the marketplace. The areas of discussion encompass lending, payments, financial infrastructure, and cybersecurity. Policy makers, business leaders, and industry stakeholders, such as major Thai banks, global FinTech firms, and consulting firms, will join the dynamic panel discussions. Activities also include showcases & technology talks by forefront financial institutions, payment service providers, and FinTech firms.
