Statistics, Macroeconomics

11. What do you expect to learn from this class?

A broad idea of development, and what or how people do to develop a country and its economy.

12. What is your concern, if any, about being in this class?

-

13. What would you suggest to enhance your learning experience while taking this class? Is there any teaching technique that other instructors use and you particularly like? If so, please suggest.

-

14. Briefly describe your career aspiration(s). List the top two choices if there are many.

I want to have a career which my knowledge is useful. I want it to match my interest (maybe match the field of study that I am going to choose in the next year)

15. Other comments and/or suggestions.

, but now I still not sure about my interest.
