Semester: 1/2011

EE 312 Macroeconomics Theory

Instructor: Prof. Dr. Pranee Tinakorn

Group Assignment (100 points)

1. EE312 Students are expected to form a group of 4. Hand in a list of your group's members (name and ID number) on Oct. 10, 2011.
2. Everyone in the group must read and collect news on macroeconomic issues during October 15 – November, 15, 2011.
3. After Nov 15, the group should discuss about their news collection and select 4 pieces to make macroeconomic analysis of the selected news by using the appropriate analytical tools you have learned in this course.
4. In your report, provide the details of the news and their sources in the appendix.
5. Hand in the report about the group's analysis of the selected news on November 29, 2011.

Warning

If any 2 or more groups are found to be copying any part of each other's report, all students in those groups will receive -100 (minus 100) point in their total homework scores.
