

Research Project 2

Instructions

1. Do research on 4 economic policies:
 - Fiscal Policy
 - Monetary Policy
 - Interventionist Supply-Side Policy
 - Market-Based Supply-Side Policy
2. Answer the questions WITHIN the space provided.
(ห้ามเขียนเกินหน้ากระดาษที่กำหนดไว้)
3. You can do your work on the IPAD or the printed worksheet (scan and submit), but DO NOT TYPE.
(สามารถ Print แล้วเขียนแล้ว Scan ส่งได้ หรือเขียนบน IPAD แล้วส่งก็ได้ แต่ห้ามพิมพ์)
4. The submission is via Moodle, and the deadline is on Wednesday, 19th May.
5. Any student committing plagiarism or suspected plagiarism will receive a mark of 0.

Grading Criteria

- A full mark will be awarded to those who can CORRECTLY answer the questions in the MOST CONCISE and EASY-TO-UNDERSTAND manner.
- Grammatical mistakes will have NO effect your mark, but please try to make your answer as readable as you can.
- You are not required to use all the space provided. Some questions require shorter explanations. As previously mentioned, the more concise, the better.

Hints / Tips

- Try searching through “Google Image” where you will see a lot of tables.
- There are many on Youtube as well.

Fiscal Policy

Briefly explain 2 pros:
