**SATISFACTION\*\***

In recognition of the close relationship between the School of Economics and the Faculty of Economics at Thammasat University, we are enhancing our scholarships for the academic year 2020/21. For all applications to study in 2020-21, we will be awarding scholarships worth up to £6000 to all applicants who will be graduating, or have recently graduated, from Thammasat University. We also offer up to two international scholarships equal to 50% international fees to academically outstanding applicants who have received an offer on one of the MSc programmes, either the Applied Training or the Academic and Professional.

**Application Deadline: 30 April 2020**

\*The Guardian League Table 2020

\*\* National Student Survey 2019

## UEA SCHOOL OF ECONOMICS

The UEA School of Economics is one of the **UK's Top Economics Schools**, rated 9th in the UK in the *Guardian League Table, 2020*.

We proudly combine a reputation for internationally-leading research with unparalleled standards in teaching and academic support for our students. We've been ranked in the Top 10 for student satisfaction (in the National Student Survey) more often than any other economics department in the UK.

## RESEARCH

We are 8th in the UK for research outputs in economics and econometrics (Research Excellence Framework, REF 2014) and 91.8% of our research in this area is considered **internationally excellent or world leading**.

We are also known worldwide for our ground-breaking research in behavioural and experimental economics. We are home to CBESS (the Centre for Behavioural Economics and Social Science) and we're ranked 6th in the world for Cognitive and Behavioural Economics (IDEAS/RePEc, July 2019). We also have a global reputation for research excellence in economic theory, applied econometrics, finance and in policy areas of environment, conflict and migration.

## WHY CHOOSE UEA SCHOOL OF ECONOMICS?

Our research leads our teaching and we are at the forefront of developments in economics as a taught discipline, with expertise in and total commitment to facilitating learning, employability and a fantastic student experience. We're particularly proud of:

- **Our student support team, which provides individually-tailored academic support to students who need it.**
- **Our superb programme of regular employability events.**
- **Our vibrant, student-run Economics Society and essay journal, The Norwich Economic Papers.**
- **Our in-school internship schemes, by which students put their academic skills to excellent use alongside UEA academics.**
- **Our busy schedule of staff-student social and sporting activities.**

## POSTGRADUATE ECONOMICS

Our Masters degrees will give you the skills you need for a career as a professional economist, or will help you gain a deeper understanding of issues in the areas of banking, business, finance, international trade and media. We also offer courses for people who are new to studying economics.

### ACADEMIC AND PROFESSIONAL COURSES (1 YEAR)

These courses are a good choice for students who want a career as a professional economist. This could be in government, financial institutions, business, commerce, industry, international agencies and other similar organisations. These courses are also perfect for students who want to go onto study a PhD.

- **MSc Economics**
- **MSc Finance and Economics**
- **MSc Behavioural and Experimental Economics**
- **MSc Competition Economics and Policy**

### APPLIED TRAINING COURSES (1 YEAR)

These courses are a good choice if you have not studied economics before. You will gain new skills in your area of study and in economics. These courses will help you develop your career in the areas of finance, management, international business, international relations or the creative and cultural industries.

- **MSc Global Media Economics**
- **MSc International Business Economics**
- **MSc Economics and International Relations**
- **MSc International Business Finance and Economics**
- **MSc Quantative Financial Economics**
- **MSc Economics of International Finance and Trade**
- **MSc Behavioural Economics and Data Science**
- **MSc Economics of Money, Banking and Capital Markets**
