(1) Do you agree that "This pandemic will reverse the progress toward gender equality"? Why?

Agree, because if we look deeply to the job placement, women will be the more effect or men and that will make people think about gender not job placement.

(2) Using a country as an example, explain what policies the government of that country has implemented to address this problem.

For example, Germany that have some policy that can support such as securing training job that help people that unemployment. Give subsidy to parent 300 euro per 1 child.
