

JOB OPPORTUNITIES @ TISCO

TISCO Economic Strategy Unit is an economic research unit for TISCO Securities, providing analysis and advice on a wide range of macro and micro issues to our clients.

We invite applications for the position of Research Assistant or Economist. At ESU, you will use your quantitative and qualitative analytical skills as well as your research abilities to work with senior colleagues. From them, you will get regular feedback on your performance and advice to drive your career forward.

We are keen to meet candidates with a strong background and experience in economics.

To apply, please send your CV to kampon@tisco.co.th
