

EE 461

Semester 2/2020

ASSIGNMENT 2(the last assignment)

DETAILS:

Consider all of the materials that we have learned in chapter 4 “Economic Inequality and Income Distribution”.

Choose one topic or one angle that:

- (a.) you are interested in and wish to learn more about;
- (b.) deals with inequality;
- (c.) has NOT been covered in class.

Then, please prepare and hand in slides(approximately just 3 to 4 slides) as if you were to be a teaching assistant for EE461 class next year and were asked to help teach your chosen topic to EE461 students.

INSTRUCTION:

You can work individually or as a group (with the maximum of 5 people).

If you work in group, group work will be graded as a group and please do as the followings:

- (a.) You must hand in a full copy of the group work **individually**.
- (b.) Please state each member of your group on the work.
- (c.) Please save your file as “groupname_studentid_firstname_hw2.pdf”, for example, “bookworm_4904641234_sunsiree_hw2.pdf”. If you work individually, you can use your nickname for the group name.
- (d.) Please hand in your work in the google classroom by Saturday, June 12, 2021, midnight.
