

TU.101 Explanation on grading scale and extra assignment

1. Lecturer team has discussed to fix the grading scale as follow:

A	75% - 100%
B+	71% - 74%
B	65% - 70%
C+	61% - 64%
C	55% - 60%
D+	51% - 54%
D	45% - 50%
F	0% - 44%

2. There will be an extra assignment accounted for 10% (Extra Points). Please see the instruction:

- ASEAN Society in Comparative
- Grouping 4 -5 people among those studying in the same discussion class
- Interviewing 2 people from two different countries in ASEAN (Except Thailand) on following topics:
 1. Democracy
 2. Human Rights situation
 3. Welfare Provision (pension, employment, healthcare). **Select only one topic!**
- Compares two countries based on your interview and secondary sources
- Make a Video Clip
- You shall conduct the field work and interview people on **Tuesday, 22nd November 2016** (Self-Study)
- Present your Video Clip in the class on **Tuesday, 29th November 2016**

***** You have to attend your own discussion class. Please check your name-list and lecturer name. We will evaluate the assignment based on the name-list in our hand.**

3. Final exam is comprised of 100 multiple choices, accounted for 50%
