

Modern Art Reading Homework

1. Summarize “ on the problem of form ” in your own words

Answer The form or the material is not the most important thing, the content or the spirit of the form is the most important thing.

2. On page 51 of “ understanding comics – chapter 2 “ is a big triangle. Explain in your own words how to use the triangle.

Answer This triangle has three angles which are the top angle, low-right angle, and the low-left angle. For the top angle, its name is the picture plane. For the low-right angle, its name is the language. For the low-left angle, its name is the reality. All of the pictures in this triangle will be separated into three fields and all of pictures can be used in our real life to express the feeling of meaning in each picture.

3. Is No.5, 1948 good art? Explain your answer using examples from the reading.

Answer Yes, it is a good art because it expresses the feeling and meaning that the painter wanted to show on the art.
