

SARs Report

Apart from the initial information of SARs which the topics we are covering :

1. Cause of SARs
2. Transmission
3. Nature of the disease

Futhermore, we are considering to research about FDI of China and some others' countries that are affected by SARs. Now we will also cover more information about

1. How much SARs affect the economic focusing on FDI including
 - 1.1 Export of China
 - 1.2 Import of China

And we are looking for more information about how FDI during SARs link to the population health
