

Finansa Securities Ltd., a wholly owned of Finansa Public Company Limited, is a licensed securities company with full scopes of investment banking services. Since establishment in 1992, our track records demonstrate our leadership in investment banking in Thailand with extensive ranges of tailored financial services and solutions to a substantial and diversified client base. The uniqueness of our investment banking practices lies in our approach of providing advisory services with multi-disciplinary expertise in corporate finance, project finance, equity capital markets, debt financing and M&A. This integrated approach enables us to handle large-scale and complex assignments from all critical perspectives evidenced by our proven success of recent large-scale transactions. For more information on our company profile, please visit our website <http://www.finansa.com>. We are seeking to recruit individuals who are result-oriented and capable of working efficiently in a team environment to fit the required positions.
