

Take home Final Examination: 2/2019

Subject: EE431 Economics of Financial Markets and Institutions

Instructor: Asst. Prof. Dr. Sicha Thubdimphun

Date: Saturday 16 May 2020

Time: 9.00 – 16.30 hr.

Instructions:

1. This is a TAKE-HOME exam. Books, notes and calculator are allowed.
2. There are **5** questions.
3. Total score is 70 marks (35% of the total score)
4. Students must write down your answer on A4 paper. Use pen only. **Put page number and ID number for every page of your answer sheets.**
5. Before each answer, make sure you **clearly specify the question number or sub-question number** (For example: Question 1, Question 1.1.) **you are responding to.** There is no need to copy the whole question down on your answer sheet.
6. **Do not consult with other** students. **Please do the exam only by yourself.**
7. Students should answer questions using the theory and knowledge you have learnt.
8. Show your steps clearly. You may provide graph, mathematical proof, explanation, case examples or numerical examples, or else to support your answer. Make a profound analysis. Marks will depend on **the quality of the explanation**. Only the best answer shall receive full score.
9. To electronically submit the exam, students must scan or take a photograph of the answer sheets, and upload the scanned pdf to the Google Classroom Exam for EE431 before 16.30 hr. Make sure the electronic version of your answer sheet is clear enough to read. Keep the hardcopy of your answer in case that you are requested to show the original copy.

May your goodness bring you success in your study, work and personal life.

Students:

Students should be honest with themselves. Do the exam only by yourself. If you are caught cheating, you will automatically receive an “F” for that course and be suspended for one academic year.
