To access a course you have registered, you will have to enter the enrollment key (password) in which your instructor will give you during the first week of the semester. Then Click the button 'Enrol me'.

The screenshot shows the 'Self enrolment (Student)' form. It has a title bar 'Self enrolment (Student)'. Below the title bar is a text input field labeled 'Enrolment key' and an 'Unmask' checkbox. At the bottom of the form is an 'Enrol me' button.

After you have completed the enrolment process, you will be redirect to the course page you have just finished the enrolment as shown in picture below.

From now on, you could download materials your instructor put into the course page.
