

Thailand Youth to Business Forum 2014

Delegates Guide Book

About

**Thailand
Youth to Business
Forum
2014**

Youth to Business Forum is an event powered by AIESEC around the world; bringing top young leaders together with business leaders, thought leaders, and experts for a conversation around pressing global issues with the aim to generate new, but most importantly, **actionable** ideas to that will impact the world and its future.

Theme : Innovation and Sustainability

Objective :

- Connecting the youth in Thailand to business world to build professional attitudes to be globally competitive.
- Providing platform to business practices to access the youth opinions, creative ideas, trends, and interests
- Building mutual relationship between youth and business practices to create innovative solutions and sustainable acts together to answer the social needs in Thailand
