

## Final Exam 1/2016

### EE325

Dear Guys:

I hope you all are doing well with your final examination. To be success in my class, I would therefore like to take this opportunity to provide you all more information related to the upcoming exam on Monday 19<sup>th</sup> December 2016 from 1.30-4.30 pm:

1. There are 5 big questions (24 pages) covered:
  - 1.1 Two conceptual questions.
  - 1.2 Three computational and conceptual questions.
2. The above 5 questions will cover from Ch. 6 extension of the two-variable linear regression model to Ch. 12 Autocorrelation.  
(pp.101-218)
3. Simple or Financial or Scientific calculator is allowed to use.
4. **Two A4 size sheet with your own writing is allowed to use.**
5. This week, I will hold the office hours on:
  - Tuesday from 4.00 pm-5.00 pm
  - Wednesday from 4.00 pm-5.00 pm
  - Thursday from 1.00 pm-5.00 pm
  - Saturday from 2.00 pm-4.00 pm

You can stop by my office based on the above schedule, I am more than happy to answer all of your questions related to EE325.

6. Last but not least, I uploaded the Mid-term score and HWs scores (HW1-HW4, for HW5 I will update it again) on BE-moodle, you have to check it and let me know if there is any concern **BEFORE DEC 25, 2016.**

**May Good Luck be with you all in this final examination!**

Best Wishes,

Wasin Siwasarit
