

MR.Potato Head.

"If you weren't born with it
You can buy a couple ornaments
Just be sure to read the warning, kids
'Cause pretty soon you'll be bored of it, ha-ha"

Nowadays, the media can make you think that you can be better person with good appearance by introducing the plastic surgery as a couple ornaments. The writer has worn the audience to think twice before undergoes the plastic surgery because the ideal type of good-looking is constantly changing like a cycle of subjecting people to have the feeling that they can't fit in the, making them to change their appearance.

"Sexual, hey girl, if you wanna feel sexual
You can always call up a professional
They stick pins in you like a vegetable, ha-ha"

The youth are encouraged to do whatever to make make themselves become attractive and sexual by doing the plastic surgery. The Pin is referred to the some kind of injection like botox. Vegetables is referred to someone who has less motivation or interest. So the sentence means that the women who undergoes a plastic surgery have been brainwashed by the society.

"Kids forever, kids forever
Baby soft skin turns into leather
Don't be dramatic, it's only some plastic
No one will love you if you're unattractive"

Plastic surgery can make the skin lose its texture and became the leathery like a baby soft skin turns into leather. And the appearance is the factor which contribute to how people will like you by completely neglecting the personality.

"Oh Mrs. Potato Head, tell me
Is it true that pain is beauty?
Does a new face come with a warranty?
Will a pretty face make it better?"

The writer refer to the Mr.Potato head because it is the toy with many alterable stick-on features. And telling that the plastic surgery doesn't make them really happy. People

who undergo the plastic surgery fail to realize that they can't return or reverse the outcomes. In addition, the plastic surgery only can change the appearances but not changing what people really are.

"Oh Mr. Potato Head, tell me
How did you afford her surgery?"

The plastic surgery need thousands of dollar per procedures. How could people afford that much?

"Do you swear you'll stay forever?
Even if her face don't stay together
Even if her face don't stay together"

The questioning sentence is refer to a guy. Does he really stay when the girl's face changes. And the more plastic surgery you undergoes, the more your face will deteriorate. The part "even her face don't stay together" is like the Mr.Potato head with a variety of stick-on body parts.

"If you want a little more confidence
Potatoes turn to french fries, yeah it's common sense
All you need's a couple more condiments
And a hundred thousand dollars for some compliments, ha-ha"

The confidence came with the plastic surgery. The french fries is the another version of potatoes. They are preferred and look better. But the looks come with the cut out some parts. The plastic surgery is expensive and to get the compliment you need to have hundred thousand dollars to be able to afford the plastic surgery.

"It's such a waste
When little girls grow into their mother's face
But little girls are learning how to cut and paste
And pucker up their lips until they suffocate, ha-ha"

When the little girl grow up, her face will probably don't look like her mother because she know how to cut and paste by doing the plastic surgery. Fuller lips are now preferred and girl plump their lips to makes herself looks like the ideal type.
