Join us at this webinar to learn about our mission, the work of Fund economists, our recruitment programs, and available career opportunities. We are keen to meet economics students who are interested in macroeconomics, even if you are specialized in other areas. Recruitment programs that we will cover include:

- **Economist Program (EP)**, for students completing their PhD
- **Fund Internship Program (FIP)**, for current PhD students
- **Research Assistant Program (RAP)**, for students completing their Bachelors

If you are interested in being part of a team that contributes to promoting economic stability on a global stage, and want to learn how to join us, please attend this session. Both undergraduate and postgraduate students in economics are welcome to participate.
