

B.E. International Program

Faculty of Economics, Thammasat University

Additional Examination Rules and Regulations

To comply with Thammasat University Examination Regulations and prevent violation of those regulations, B.E. International Program issues **additional** examination rules and regulations as follows:

- 1) Students are not allowed to leave the examination room during the examination. In case of an absolute necessity to go to toilet, only one student **may be** allowed by the examination proctor at any given time. Each student must be accompanied by the examination proctor. **The proctor will write “went to toilet” on the student’s exam paper for instructor’s notice.**
- 2) Students are allowed to bring **pens, pencils, erasers, liquid papers, rulers** into the examination room. Textbooks, handouts, notes, calculators and so on are not allowed to bring into the examination room unless there is an approval announced earlier by the instructors. If students bring mobile phone into the examination room, they are required to put it in a bag and place them in an area designated by the proctor. All mobile phones must be turned off.
