**Note:**

1. Students can schedule for an appointment to check your graded exam.
I will be available on Wednesday between 3.00 pm and 6.00 pm.

Priority will be given to those with %-out-of-35 less than 60

2. Based on historical record, if your overall score (% out of 100 total points) is higher than 60% it is highly likely that you will pass this course with the letter grade C or above.
The figure in the last column is the **%-out-of-35** which can be a good indicator for your performance.
With the %-out-of-35 above 60 and that you maintain to get 60% from all the remaining parts, it is highly likely that you pass with C or above.

3. Those with overall score (%-out-of-35) is less than 50 should seriously discuss your plan with me.

Grade announced on April, 3rd
