Hamlet assignment

1. Hamlet is facing the hardest situation to make decision. He was living with the pain by the effect of recent event, so he was thinking of killing himself to avoid the pain. But he still doesn't sure is he able to avoid this pain by the death
2. He is very depressed with the death of his father. And he is curious that it was a murder, not an accident, by his uncle. Moreover, his mother enjoys new marriage so quickly after recent of her husband's death, the king and also the hamlet's father. If I was hamlet, I will try to find the way to prove that the uncle is guilty or not, if he was really guilty, I will revenge by making like an accident.
3. He tries to prove that his uncle is really guilt. First he hire jester to imitate what king Claudius done to his father. After that her mother invited hamlet into her room, accidently, he kill Polonius which he thought is the king. Ophelia turn mad from losing his father by one she does love. Laertes who is Ophelia brother came back from France, trying to get revenge for his father. He know that hamlet kill his father and was the cause of his sister madness. So he conspires with the king Claudius to revenge hamlet.
4. Hamlet was mental weakness. His heart was attacked after his father and new marriage of his mother. He can't bear the pain from this situation and became bad person. He only keeps thinking to revenge and doesn't think of anything else.
5. No, Hamlet may not be really insane. He may pretend to be to avoid attention from other. But also because of his weakness mental, so it makes them decide to be insane person to make more chance in getting revenge.
