

1) From the UNDP (2019) study on Tolerance but not inclusion, what is your viewpoint on this issue? Discuss your view by including the forecasting impact on the economic sector and what policies government should implement to solve any challenges.

Ans My point of view on Tolerance but not inclusion is it is bad to act in violence toward other people because of their gender difference.

Ans If the economic doesn't accept LGBTQ people, the economic will not reached it full potential due to not all worker perform in the economy.

Ans Government should implies gender quota for number of LGBTQ people in each company.
